His & Hers <small>(2 mattresses + 2 thermostats)</small>	200 x 160	1'694.00
	195 x 160	

It should be noted that the above prices do not include bed frames or bases for the water mattresses.

A simple but sturdy slatted base with a steel structure, and preferably with two legs in the center of the bed, may be used for these mattresses. As an alternative, almost all the beds we sell may be adapted for use with water mattresses. The price for this solution obviously varies according to the model.
